

South Moreton: A Google School

Opening up the world to our children by ‘bringing the outside in’ for our pupils

We are passionate about the teaching of high-level digital skills, computer science and coding concepts for our pupils.

**Why are we a
Google School?**

In Vision:

“The World for our Children, our Children for the World”

- ★ Bringing the world into our village school
 - ★ Preparing our children for successful futures in the world of work
 - ★ Developing problem solving and critical thinking
- 

In practice

Provision

1:1 Chromebooks across the school, additional hardware and software, rigorous filtering and internet controls.

Curriculum

Outward-facing curriculum drawing on inspiration from across the world. Bringing the outside in. High-level digital literacy, computer science and coding teaching.

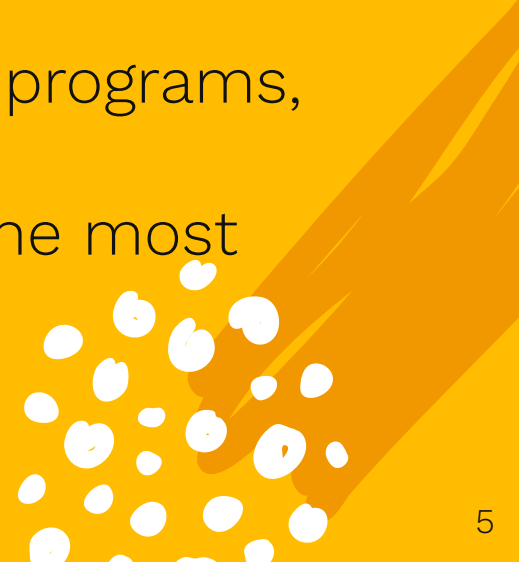

Teaching

Highly-skilled teachers use Google across all aspects of our work (planning, assessments, collaborative work)

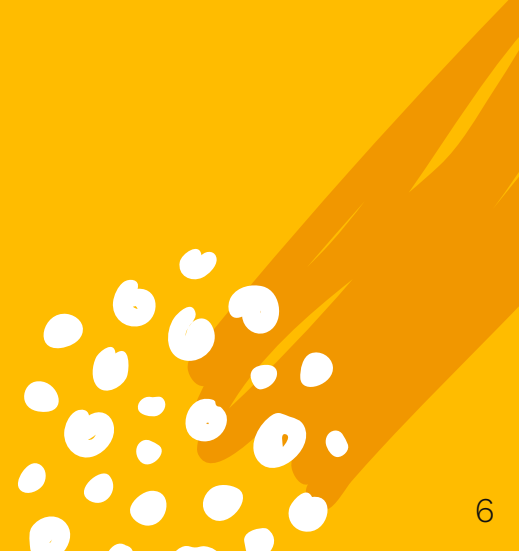

For our pupils:

- ★ Purposeful resources from outside the classroom
 - ★ Contributes to a love of learning
 - ★ Develops confidence across a range of programs, applications and platforms
 - ★ ICT skills are rapidly becoming one of the most employable in today's world
- 

South Moreton pupils can:

- ✗ Touch type
 - ✗ Collaborate digitally on presentations and documents
 - ✗ Code programs and hardware
 - ✗ Animate
 - ✗ Use 3D printing software and hardware
 - ✗ Create digital art and music
 - ✗ Edit media such as images and video
 - ✗ Research information carefully and critically
 - ✗ Communicate appropriately using online platforms
 - ✗ Act as safe, digital citizens
- 

At South Moreton, our staff meetings are now twice as productive due to the collaborative possibilities of Google.

That means 57 hours more work time in driving standards for our pupils - we are literally making time!

“

Let us make our future now,
and let us make our dreams
tomorrow's reality.

Malala Yousafzai

Thanks!
